THE LEGACY OF

Dr. A.Q. Khan

A PHILANTHROPIST AND HUMANITARIAN

Dr. A.Q. Khan, NI & Bar, HI is well-known universally for his scientific accomplishments, but the world is still unfamiliar with his philanthropic, humanitarian and development works. Dr. Khan founded a number of prestigious institutions over the last two decades, including Ghulam Ishaq Khan Institute Topi, Sir Syed CASE Institute of Technology Islamabad, Dr. A.Q. Khan Institute of Biotechnology and Genetic Engineering, Karachi, Mianwali Institute of Technology, Kahuta Institute of Technology, Institute of Behavioral Sciences Karachi, Senior Citizen's Foundation Islamabad, SACHET-Pakistan and Dr. A.Q. Khan Hospital Trust, Lahore to quote a few. These academic and health institutions have impacted the lives of millions of Pakistanis and are contributing to the country's development. He was also Patron of a number of non-government organizations engaged in socio economic development of Pakistani society. He wrote articles in newspapers until his very end, disseminating awareness for the general public on social, moral, spiritual and economic issues.

SACHET (Society for the Advancement of Community, Health, Education and Training) was founded in 1999 by Dr. A.Q. Khan, NI & Bar, HI and led the organization as a life time President. SACHET is a community development organization, working at grass root level with national outreach. The organization's name reveals its four key program areas i.e., health, education, livelihood, and training. Since inception in 1999, SACHET is recognized as a leading community development organization in Pakistan

and has served millions of under privileged communities in all four provinces including Gilgit-Baltistan and Azad Jammu Kashmir through several innovative and community driven projects. Primary health care with focus on MNCH (Maternal, Newborn & Child Health) program, SACHET has served more than 1.3 million patients; under Poverty alleviation cum Income Generation Programs of SACHET around 16,000 girls/women have been trained in vocational skills and employed; result oriented advocacy on communal issues through advocacy & awareness programs of SACHET reached to more than 1 million people and played a vital role in policy making and mass awareness at grass root levels. More than 50,000 clients received family planning services through SACHET's Community Health Centers known as SACHET Clinics. Under youth empowerment program more than 20,000 youth and adolescents (boys and girls) were provided life skills training and pioneered gender specific youth and adolescent friendly centers in rural areas of Punjab and Islamabad capital Territory.

For the last more than two decades, SACHET under the dynamic leadership of Dr. A.Q. Khan, has played a vital role to contribute towards achievement of United Nation's Sustainable Development Goals (SDGs) in Pakistan. As per the guidance and vision of its Founder and life time President, SACHET will remain committed to the mission of Promoting Human Development in Pakistan carrying forward his legacy as an effective development organization of the country.
